Just sent the final signed AOC for Pine Hope to you in a separate email. I don't see any email where I was copied on transmission to the Respondent or their counsel. It looks like that step may have been missed somehow. My apologies.

Hi Chris,

Happy November. Do you know if this made it out at the beginning of this FY? I know we were holding it. Last I saw Mary Jo sent it up to Carol, I think.

Thanks,

Michele

Michele – Just checking in. I want to make sure I didn't overlook the Final Admin Consent Order. You had indicated early October but I don't think we have received anything yet. Thanks for checking!

{EXTERNAL EMAIL}

Hi Mary,
I just received an update - as it is a busy time for the agency at the end of our fiscal year for all cases getting concluded, we anticipate a signed document the first week of October.

Thanks,

Michele

Thank you very much Mary. Yes it is actively routing, I believe it is at the Director's level for signature.

Thanks,

Michele

Michelle – I know that Henry sent you these separately – but I am just following up to make sure you have them. The updated Wyden Agreement and an acknowledgement by the Forest Service of the official arrangement with Pine Hope initiated in 2012. Hopefully the AOC is making the rounds and will be finalized soon. Henry is anxious to put this behind him. Thank you!
